SHARE your love for BioReigns and SAVE!

For every new customer you enroll now through May 31, 2021, the new customer receives \$10 off their order when they use promo code SHAREANDSAVE.

If that newly enrolled customer shares their unique referrer link with a friend, and they enroll and purchase, the new customer now receives \$10 off after using code SHAREANDSAVE...and the person who shared the link automatically receives \$10 off of an order of \$49.99.

Ready? Here's how the Share & Save Program works. It's easy!

To find your referrer link:

1. LOG IN to your BioReigns Customer or Ambassador account.
2. CLICK on your user name in the top right corner to go to your profile page.
3. FIND your unique referral link at the top of your profile page. It is called "My Referrer Link."
4. COPY the link shown under "My Referrer" on your profile page. The link contains a referral tracking code so we know that it was you who referred BioReigns to someone new.
5. SHARE your unique link with a friend.

To participate in the Share and Save Program:

1. CLICK the referrer link shared by your Wellness Ambassador or a friend.
2. ENROLL as a new customer.
3. SHOP and add products.
4. ADD promo code SHAREANDSAVE in the box for promotional codes on the checkout screen.
5. CLICK "Apply Code"
6. REVIEW your order - you should see -\$10 in the total. That's your savings!
- 7 COMPLETE your purchase.

Additionally, if the new customer shares the referral link from their profile page, they get another \$10 off of a new order of \$49.99 or more automatically. Their newly enrolled customer receives \$10 off using code SHAREANDSAVE.

Please Note:

You must use the unique identifying link on your BioReigns profile when sharing the link with others. This link contains a special tracking code that helps us identify which Ambassadors or Customers have shared the link. You can find the link after you log into your BioReigns account as an Ambassador or a Customer. It is called "My Referrer" and is found at the top of your profile page after you log in.

The maximum discount that can be applied to an order is \$10. If you have three referrals, you can only apply the \$10 discount ONCE to the order. They cannot be added together (stacked). You may use the additional discounts you qualified for on new orders, one (\$10 off) per order of \$49.99 or more.

This promotion may not be redeemed for cash. Only one promotional code per order may be redeemed. Order total must exceed \$49.99 before tax and shipping in order for the promotional code to automatically be applied.

Promotion ends May 31, 2021.
